100 Marketing Captions

Ready-to-adapt social media copy for Indian small businesses and online sellers

How to use this pack

Copy a caption, replace details with accurate information about your business, and adapt the wording to your customers. Add your own product photos and a clear call to action.

Before publishing

Confirm prices, offer dates, stock, delivery times and product claims. Do not promise results, certifications, compatibility or benefits you cannot verify. Check platform rules and applicable labelling requirements.
