POCKETAI STUDIO

Product Listing Templates

Practical, editable templates for Indian online sellers

How to use this pack

Copy a template, replace the bracketed prompts with accurate product details, and adapt the wording to the marketplace you use. Never claim certifications, materials, discounts, guarantees, or performance that you cannot verify.

Quick listing checklist

- Use the product name customers actually search for.
- State the main benefit and the most useful features.
- Include size, dimensions, material, colour, quantity, and compatibility when relevant.
- Mention what is included in the package and any care instructions.
- Use clear photos and ensure every claim matches the real product.
- Check marketplace rules, return terms, and applicable legal labelling requirements.

1. General product listing

Product title: [Product type] – [Key feature] – [Size/colour/quantity]

Short description: Meet [product name], made for [target customer/use]. It features [two or three verified features] to help with [practical benefit].

Key features:
• [Feature 1 and why it matters]
• [Feature 2 and why it matters]
• [Feature 3]

Specifications: Material: [ ]; Size: [ ]; Colour: [ ]; Quantity: [ ]; Package includes: [ ]; Care/use: [ ].

Before ordering: Please check the size, specifications, and images to confirm this product meets your needs.

2. Clothing and accessories

Title: [Garment/accessory] for [audience/use] – [colour/pattern] – [size range]

Description: Add [style/use] to your wardrobe with [product name]. Details include [verified fabric/material], [fit/design detail], and [care detail].

Details: Material: [ ]; Fit/measurements: [ ]; Colour: [ ]; Sizes: [ ]; Closure: [if applicable]; Care: [ ]; Package contents: [ ].

Size note: Compare the measurement chart with your own measurements before ordering. Colour may vary slightly by screen.

3. Home and kitchen

Title: [Home/kitchen item] – [material/capacity/size] – [main use]

Description: Designed for [specific task], this [product name] includes [verified construction or design details]. Use it for [appropriate use cases].

Specifications: Material: [ ]; Dimensions/capacity: [ ]; Colour: [ ]; In the box: [ ]; Cleaning/care: [ ]; Usage limitations: [ ].

Care note: Follow the product's actual care instructions. Do not describe an item as food-safe, heat-resistant, or dishwasher-safe unless verified.

4. Beauty and personal care

Title: [Product type] – [size/quantity] – [verified key feature]

Description: [Brand/product name] is a [product type] intended for [labelled purpose]. Review the ingredient list, directions, and warnings before use.

Details: Net quantity: [ ]; Ingredients/materials: [as labelled]; Directions: [ ]; Manufacturer/marketer: [ ]; Batch/expiry details: [as applicable]; Warnings: [as labelled].

Important: Avoid unverified medical, therapeutic, “chemical-free,” or guaranteed-result claims. Reproduce required label information accurately.

5. Electronics and accessories

Title: [Device/accessory] compatible with [specific model/type] – [connector/specification]

Description: This [product name] is designed for [verified compatible devices or use]. Review the specifications below to confirm compatibility before purchase.

Specifications: Compatibility: [ ]; Connector: [ ]; Dimensions: [ ]; Power/rating: [if applicable]; Included accessories: [ ]; Warranty: [only if applicable and documented].

Compatibility note: Do not assume universal compatibility. Check the exact model and technical requirements.

6. Handmade and small-business products

Title: Handmade [product] – [design/material] – [size/colour]

Description: Each [product name] is prepared by [maker/business] using [accurate materials/process]. It is suitable for [gift/use occasion].

Details: Materials: [ ]; Dimensions: [ ]; Colour/design options: [ ]; Personalisation: [ ]; Processing time: [ ]; Package includes: [ ]; Care: [ ].

Customisation: Enter spelling, colour, or personalisation details carefully. Handmade variations may occur only where this is genuinely applicable.

7. Marketplace SEO title formula

Use this order where it reads naturally: **Brand (if applicable) + Product type + Main feature + Size/quantity + Colour/model**.

Example formula: [Brand] [Product Type] [Material or Key Feature] [Size/Capacity] [Colour/Model].

Use relevant search terms naturally. Avoid keyword stuffing, competitor brand names used misleadingly, unsupported superlatives, and promotional claims that cannot be substantiated.

8. Product description for social commerce

Opening: Looking for [need/use]? [Product name] offers [verified benefit].

Highlights: • [Feature 1] • [Feature 2] • [Size/colour/variant options]

Order details: Price: [ ]; Delivery area/time: [verified details]; Shipping charges: [ ]; Return/exchange terms: [link or summary].

Call to action: Message us with your preferred [size/colour/variant] or visit [store link] to check availability.

9. Product FAQ template

What is included? [List package contents.]
What are the dimensions/materials? [Give exact specifications.]
Is it compatible with [model/use]? [Answer based on verified information.]
How should it be cared for? [Use official instructions.]
What is the delivery/return policy? [Link to your current policy.]
Can I customise it? [Explain available options and limitations.]

10. Final quality check

Before publishing, confirm: title is accurate; images show the actual item; price and quantity are clear; variations are explained; dimensions and materials are correct; package contents are listed; shipping and return terms are accessible; spelling is checked; and every claim is supported. Save a copy of the published listing for your records.
